

Greene County Tomorrow Word Association Exercise

What does Greene County look like tomorrow? In order to better understand what the future of Greene County looks like, members of the Project Steering Committee were asked to think about aspirational words or phrases to describe what they want Greene County to be.

Common Themes

After reviewing all of the ideas provided by the Steering Committee, several common themes emerged. The themes are shown below.

The boxes below highlight some of the common themes that emerged when we asked the Steering Committee what they envisioned for the future of Greene County. In the space below, place your dots on the ideas you like the most.

<i>Revitalize Downtowns</i>	<i>Protect Farmland</i>	<i>Diverse Housing Options</i>
